Dear Parents,

We would like to take this opportunity to welcome you to the 2017-2018 school year. Sugarmill (SES) has had a long-standing tradition of success. We promise to uphold that tradition and meet the needs of all students. We are extremely excited about working with each of you and your children to provide the best educational experience possible.

Our mission is to ensure educational excellence in a safe and nurturing learning environment where all SES students are empowered to reach their goals and become productive citizens. We are dedicated to doing what it takes to place our student’s future educational success at the cornerstone of all school based decisions. Our teachers and staff work diligently to plan effective instruction to help students acquire the skills needed to achieve mastery of a new and more rigorous curriculum the Georgia Standards of Excellence (GSE).

Parental involvement is crucial to our success and there are many ways that parents can become involved. We invite all parents to join our PTO, attend school functions, and volunteer in the school.

We are delighted and grateful for the opportunity to play such a crucial role in the lives of each of our Sugarmill students along with their families. Please feel free to call us at any time if you have questions or concerns. We look forward to working with you during this upcoming year.

The purpose of this student handbook is to acquaint the students and parents at Sugarmill Elementary School (SES) with its programs, services, and policies. An understanding of regulations necessary for efficient school functioning and an awareness of the growth and developmental opportunities at SES will create a positive working relationship between students, parents, and staff.

## DAILY SCHEDULE

|                          |           |
|--------------------------|-----------|
| Arrival of buses         | 7:50 a.m. |
| Arrival of car riders    | 8:00 a.m. |
| Tardy bell               | 8:30 a.m. |
| Instructional day begins | 8:30 a.m. |
| Student dismissal        | 3:30 p.m. |

We cannot accept responsibility for students who arrive prior to 8:00 a.m. Students should be picked up from school at **3:30 p.m.** each day. Students who have not been picked up by **3:45 p.m.** will remain in the office until picked up and signed out by their parents. Students who are out of zone must be brought to school on time and picked up promptly at the end of the day, or they will need to return to their home school.

## ARRIVAL ON CAMPUS

Adult supervision is not provided until 8:00 a.m. therefore, students should not arrive on campus before 8:00. All students eating breakfast must arrive by 8:00 a.m. to ensure ample time to eat. The cafeteria closes at 8:20 a.m. each morning. Students must be in the classroom by 8:30 in order not to be counted tardy. Your child's safety is a top priority for our staff in the morning during the time the students are being dropped off at school. **When dropping off your child, please stay in the line until you reach the area where an adult is located. Have your child/children unload on the passenger's side of the vehicle. Do not drop off your child in the area where our trash bins are located. There is no adult to supervise students in this area. We ask that you do not block the faculty parking area at the end of the sidewalk near the mailbox. Barriers to direct traffic flow should not be removed.**

## DISMISSAL OF STUDENTS

Specific procedures must be followed during dismissal to ensure that all students are safe. Please do not walk up to the bus port or come in the hallways to pick up your child. We are asking that all parents stay in their cars and pull up to the colored cones where an SES teacher will assist your child into the car. The car tag issued by the school should be **visible** on the passenger's side visor so that a staff member can see it to check for security and keep all students at Sugarmill Elementary School safe.

Students who walk to school will be escorted to the end of the bus port by a teacher to meet their parents.

Please send written notification to your child's teacher if their regular dismissal procedure (bus rider/car rider/walker) is going to change. If for some reason you need to make a change during the day, we will need an email or fax sent to the attention of Pam Lewis at [plewis@camden.k12.ga.us](mailto:plewis@camden.k12.ga.us). If you send a fax or email you must call to verify that it has been received. **This must be done prior to 3:00 p.m. to ensure the information is given to the teacher. Emergency transportation changes made by phone must be place prior to 3:00.**

We ask that you do not check out your child between 3:15 p.m. and 3:30 p.m. This procedure is for the safety of all students. We cannot get children off buses or change transportation once they have left the classroom.

The office staff at Sugarmill Elementary will not release a child to anyone not on the original check-out list without written directions from the parent / guardian. A photo ID is required at all times when students are being dismissed from school. Please make sure all individuals on your child's pick-up list are aware of this policy.

When it becomes necessary for a student to be dismissed during the school day, the parent / guardian must come to the office to sign out the child. We cannot call a student to the office until the parents arrive at school. If someone other than the custodial parent / guardian will be picking up the child, we should be notified in writing and photo ID is required.

#### **VISITORS ON CAMPUS**

Due to the new security measures implemented during the spring of the 11-12 school year, all schools now have security doors at the school entrance. This requires all parents and visitors to check in at the front office before they are allowed to enter the school. The security system is placed on the main hall and cafeteria doors. These doors remain locked at all times.

All visitors arriving on campus should report immediately to the office in order to visit any individual or any classroom. In order to preserve instructional time and provide a safe and secure learning environment for all students, no visitors will be permitted in the halls or classrooms between 8:30 a.m. and 3:30 p.m. Exceptions will be made for scheduled parent conferences, volunteers, lunch buddies and other events when appropriate. All visitors must check in through our school check-in system and wear the sticker printed at all times.

#### **UNDERAGE CHILDREN AT Sugarmill Elementary**

The instructional day is of the highest importance. Parents may not bring children to the classroom during instruction, class parties, etc. Parents are welcome to bring children under the age of 18 who are not enrolled at SES under the following conditions:

Attending a parent conference before or after school; eating breakfast or lunch with SES children in the cafeteria (all guest should eat on stage with student); school assemblies in the cafeteria and/or gym during the school day(space permitting) is permissible. Children are welcome at all school functions outside the school day, including PTO meetings, festivals, curriculum fairs, etc.

#### **FIELD TRIPS**

The purpose of a field trip is to extend learning into the "real world". By definitions, a field trip must involve an experience that cannot take place in the regular classroom, but field trips are considered an extension of the classroom. During field trips, students are counted as present at school and must use the approved transportation to/from the field trip. Because each school day begins at school, students must be present in homeroom before the field trip leaves. The only exception is in the instance of an overnight field trip. The school may limit the number of chaperones attending because of space limitations. Parents acting as chaperones may ride the bus, space permitting, but if they drive they cannot transport any students. Chaperones may not bring siblings or other children along during the field trip because they will have chaperone duties that involve supervising students from the class. Parents may sign out their own child at the end of the field trip if the field trip concludes at the end of the school day or for other legitimate reasons such as illness, family emergency, etc. **Please note that as of the day of the field trip, refunds for field trip costs cannot be provided to a student who cannot attend on the day of the trip.**

#### **EMERGENCY DRILLS**

The most important aspect to be considered in a drill or a real event is to remain calm and remember that our number 1 priority is the safety of the children and adults in the building. As you know there is no way to plan for "every" scenario, so the best thing to do is to conduct emergency drills. In addition to fire and tornado drills, we will be conducting "lock down drills". Please take time to talk with your child about the emergency drills that will be held to relieve any anxiety they may feel.

#### **STUDENT ILLNESS**

Early in the morning, it is often difficult to make a decision about whether or not your child should stay home from school. Your child should remain at home if he/she is too sick to be comfortable at school or might spread a contagious disease to other children. A student should stay home if there is a fever over 100 degrees (must be fever free without fever reducing medicine for 24 hours before returning to school), vomiting (especially more than twice), diarrhea, a very frequent cough, persistent pain (ear, stomach, etc.), or a widespread rash. If you have questions, please call Mrs. Peeples, the school nurse at 729-8382.

#### **MEDICATIONS**

Medications must be brought into the school by the parent or guardian in original containers and forms need to be completed for the nurse.

#### **LUNCH CHARGES - Per the Administrative Handbook**

Once an elementary child has reached his charge limit, the lunchroom manager will send a charge letter to the parent. Middle and high school students will be informed of charges at the point of sale. If the charges remain unpaid, the lunchroom manager will notify the guidance counselor who then contacts the parent. If the efforts of the guidance counselor do not resolve the issue, then it must be referred to the school social worker. No adult may charge a school meal. School nutrition funds may not be used to cover bad debts. This includes unpaid charges as well as returned checks.

#### **FOOD ALLOWED TO BE BROUGHT ON CAMPUS - Per the Administrative Handbook**

The following procedures have been developed to provide for the health and safety of all students during the school day.

1. No homemade food items will be allowed to be brought on campus to be distributed to students.
2. Parents may bring in food items purchased in a store provided they are packaged and an ingredients label is available.
3. Parents must make arrangements with their child's teacher **at least one school day prior** to bringing in snacks or food items for a class.
4. Parents must check with their child's teacher for a list of snacks appropriate for that particular classroom.
5. Parents and teachers will be provided with a list of "Healthy School Celebration" options and some suggestions for celebrations that do not include food items.

## **CHILD CUSTODY ISSUES**

In the past few years, we have seen an alarming increase in the number of court cases involving disputes between parents regarding child custody. It is vital that the school administration have all pertinent court documentation regarding the custody of any child who attends our school and to show custody is in dispute. School personnel do not wish to know details of such cases unless those details directly impact the learning of the child involved. Simply bring the school counselor a copy of the court documentation to place in the child's records. If a non-custodial parent requests copies of school pictures or report cards or requests to meet with a teacher, we will comply unless the court denies such access.

## **PHOTOGRAPHS, WEBSITE AND VIDEOS**

At times the media asks or is invited to attend school events. **If you do not want your child to be photographed**, videotaped (contests, performances) or placed on the school or system website, school Face Book page or other media, **please send the principal a letter requesting that the child not be in any school photos. This letter is due by the tenth day of school.**

## **DRESS CODE**

The Camden County Board of Education Dress Code in its entirety is found in this handbook. At Sugarmill Elementary, the administration feels that shoes with high heels do not provide appropriate support for students as they exercise in physical education classes, play outside, or interact with other students in group situations. Students should not wear spandex, hats, sunglasses, handkerchiefs or bandanas. Students' pants should be worn on their hips and not sag. The length of shorts should meet the "fingertip" rule. Halter tops, tops with bare midriffs, backless tops or tank tops are not permitted at school. Shoes with wheels ("wheelies") are not allowed on campus. **Tennis shoes need to be worn on the days that students go to physical education.**

## **BIRTHDAY CELEBRATIONS / INVITATIONS**

If parents send party invitations to school with students, all students should be included. It creates a problem when only a small number of students in a classroom are invited to a party or when students are located in various classrooms throughout the building.

Students always enjoy celebrating their birthdays at school with friends. Parents may bring packaged cupcakes or other snacks which are not made with peanut oil and NOT HOMEMADE. These birthday snacks may only be served to the class during their scheduled lunch period. There must be a 24 hour notice that birthday treats are being brought in so that the nurse can approve due to allergies.

## **DISCIPLINE**

We use the PBIS (Positive Behavioral Intervention and Support Plan) as our discipline plan. The focus of this plan is to create a positive school climate that fosters an environment that is responsible, respectful, and safe. School administrators have the broad discretion to determine consequences for student misconduct at the school level. The range of consequences for misconduct that can be assigned may include without limitation: student conference, warning, parent conference, lunch detention, bus suspension, in school time out, out of school suspension, and alternative school placement. A student could be referred to a disciplinary tribunal which may result in long-term suspension, alternative school placement or expulsion. Law enforcement and/or school social workers may be contacted if necessary. Behavior Intervention Plans may be implemented for any special needs situations. A student who has behavior referrals or receives disciplinary actions may be banned from participating in, but not limited to, field day, school dances, after-school activities and clubs, field trips, recess, or any activity the administration deems appropriate.

## **PTO**

The P.T.O. is a vital part of our school program. We encourage parents to support P.T.O. by becoming ACTIVE members. Meeting dates will be announced.

## **SCHOOL COUNCIL**

The School Council is an advisory committee composed of the principal, two certified staff, two parents, and two community members. Meetings are open to the public and will be held four times per year. Meeting dates and times will be announced.

## **MEDIA CENTER**

### **Welcome to the SES Media Center – The hub of our school!**

Our Media program has a vital function in the operation of the school and the education of our students. It has been referred to as the hub around which the school revolves. It seeks to involve students, teachers, parents, and the community at large in providing our students with the skills and resources needed to become information literate in the lifelong pursuit of learning and knowledge.

### **Media Checkout Procedures For Students**

1. Each student grades K-5 may check out two books. Students are urged to explore the entire library collection and not limit themselves to just Accelerated Reader books.
2. Regular library books are checked out for a two week period. Students will not be allowed to check out more books if they have an overdue book. If a student indicates a book is lost or a book is 4 weeks overdue, an overdue form will be sent home giving the parents the cost of the lost book(s). Arrangements will be made with the parents for paying for the book and reinstating the student's checkout privileges.
3. Reference material may be checked out for use during the school day and must be returned by 3:30 p.m. each day.
4. Students who need to check out video, audio, reference, or kit materials will need to prearrange that by a conference with their teacher, parents and the media specialist.
5. Parents of our students may arrange with the Media Specialist to obtain a library account for themselves in order to check out materials from the SES Media Center.

## Parent Resource Collection

Parents are encouraged to visit our media center to take advantage of our Parent Resource Collection. The collection consists of a variety of books and educational activities aimed at aiding parents to help students develop a mastery of all grade level standards. These materials are available for checkout through the media center.

## Media Hours

The media center will be open from 8:30 to 3:30 for use by students. Students accompanied by their parents or mentors may use the media center until 3:45. There is one computer in the media center set up for taking AR tests. Students are urged to take AR tests in their classrooms.

## INTERNET USE

The internet is regularly used as part of the course-work at SES by teachers and students. All students utilizing the internet at Sugarmill Elementary School must have a signed Acceptable Use Policy letter on file with their teacher. Students at SES have Chrome books for instructional uses only. Students not following the guidelines established by the school/teacher for correct use of this tool will result in losing the use of the chrome book (as stated by administration) and paper pencil instruction will be the alternative tool for students.

## PARENT VOLUNTEER SERVICES

Parents are urged to volunteer to work with students individually or in small groups. Listening to a child read, tutoring math facts, playing educational games, and helping students locate information are some of the tasks for which we need parents. Parents may also work in the media center by helping shelve books or in the classroom helping with clerical tasks to assist teachers. All parents must check in through our School Check-in system and wear the volunteer sticker printed at all times. **All volunteers, must go through a volunteer training class conducted by Mrs. Brendle, the guidance counselor.**

## COPYING SERVICE FEE

There is a fee of \$0.25 per page for copying services of legal documents. Parents who need copies of attendance sheets, enrollment forms or documents, report cards, etc. must be prepared to pay the fee for copying in full at the time of pick up.

## DISMISSAL PROCEDURES FOR ALL AFTER SCHOOL ACTIVITIES

There will be no check out of students from after school activities in the office. All parents must remain in the car rider line. Students will not be dismissed with a parent/guardian walking up to the building. Please enter the school from the road as if you were dropping off your child in the morning (not the bus port side). Proceed around to the bus port, looping the parking lot so that the driver's side is against the sidewalk as you pull around. Pull up along the sidewalk as far as you can and remain in your car. Students will be called and staff will bring your child to this outside area. If your child is a walker, please come to the area where you pick up your child for dismissal each day and someone will assist you. Proper ID will be required. Thank you for your cooperation. If you have been issued a car rider tag please display in your car window.

1. No homemade food items will be allowed to be brought on campus to be distributed to students.
2. Parents may bring in food items purchased in a store provided they are packaged and an ingredients label is available.
3. Parents must make arrangements with their child’s teacher at least one school day prior to bringing in snacks or food items for a class.
4. Parents must check with their child’s teacher for a list of snacks appropriate for that particular classroom.

5. Parents and teachers will be provided with a list of “Healthy School Celebration” options and some suggestions for celebrations that do not include food items.

#### **PLEDGE OF ALLEGIANCE /MOMENT OF REFLECTION - Policy IKD**

In compliance with Georgia law, each school in Camden County shall provide students the opportunity to recite the Pledge of Allegiance to the United States of America flag and participate in a moment of silent reflection.

#### **PARENT/SCHOOL COMMUNICATION**

When parents have questions or concerns about their children, the first line of communication should be the classroom teacher. If concerns or questions are not resolved, contact with the school counselor or administrator is appropriate. Meetings with teachers and administrators may be scheduled as needed. Questions or concerns about school policies or procedures should be directed to administrators. If the parent still has concerns about the outcome or response from school administrators, they need to contact system level personnel based on the specific concerns at 912-729-5687.

#### **INTOUCH**

In an effort to provide efficient communication to parents, Camden County Schools will continue to use the Intouch calling system providing the daily notification of student absences at all school levels. In elementary and middle schools, student attendance will be taken at the start of school. Phone calls indicating student absences will begin at 9:00 a.m. A parent/guardian transporting a student to school and arriving after the start of school may receive a phone call indicating the student is absent. These students will be marked tardy for the day, but because of the timing of the tardy, an absence call may go out.

#### **DIRECTORY INFORMATION**

Camden County Schools has designated the following information as directory information: student’s name, address, and telephone number; date and place of birth; participation in official school clubs and sports; weight and height of student if he/she is a member of an athletic team; dates of attendance at the school system schools; awards received during the time enrolled in the Camden County School System. Unless otherwise requested within 10 days after enrollment, the information above may be disclosed to the public.

#### **USE OF STUDENT PHOTOGRAPHS/VIDEO FOOTAGE**

The Camden County School System utilizes student photographs/video footage to recognize students for awards and achievements and to publicize school activities and events. Unless otherwise requested within 10 days after enrollment, photographs/video footage of your child or you may be used for the purposes indicated above.

#### **SOCIAL WORK SERVICES**

School Social Work Services are available to all Camden County students and their families. Occasionally students may experience difficulties which negatively affect their behavior, school attendance and/or academic performance. School social workers provide assistance in helping families and students bridge the channels between home, school, and community resources in order to improve student’s educational opportunities. School personnel can make referrals to social workers when there is the need for additional support. Parents and students may also contact the school social worker at 729-5687 for assistance.

[Title I, Part A – Disadvantaged Children Elementary and Secondary Education Act](#)      [Every Student Succeeds Act](#)

## FEDERAL PROGRAM COMPLAINTS

Information regarding federal program complaint procedures can be found [here](#).

5. Obtain a copy of the policy which the Board of Education has adopted regarding access to the records. Copies of this policy may be obtained by contacting the Administrative Office of the Camden County Board of Education at 311 S. East Street, Kingsland, Georgia 31548, (912) 729-5687.

## ADMINISTRATION OF MEDICINES

Schools will not administer medicine without a medical authorization form which may be completed within our PowerSchool Online Student Registration/Update link.

## ANIMALS ON CAMPUS

Due to potential health concerns of students and staff, any animals brought into the schools must receive administrative approval.

## INFECTIOUS DISEASES / FEVER PROCEDURE

Camden County Schools will follow the guidelines of the Center for Disease Control (CDC) regarding the spread of infectious diseases. A fever of 100 degrees is the CDC criteria for a child to go home. The child must remain fever free for 24 hours without fever reducing medication before he can return to school.

## COMMUNICABLE DISEASE

A student who has a dangerous communicable disease that poses a substantial threat to the health or safety of the school community may be removed from the school by the principal on the approval of the superintendent until such student no longer poses a threat. This also applies to those children who are found to have head lice, chicken pox, impetigo, unknown rashes, and conjunctivitis.

## HEAD LICE

In handling head lice, the following procedures shall be followed:

1. When a student is found to be infested with head lice, the student should be sent home immediately with a letter containing recommendations for treatment. When an infested child has siblings (brother, sister, etc.) in the school, the siblings should also be examined.
2. A child will be allowed to stay in school with nits after a phone conversation or conference with the parents.
3. Every child readmitted to school shall be examined upon readmission and again in eight to ten (8 to 10) days after readmission. The reexamination in 8-10 days will determine if reinfestation has occurred. Should the family need any assistance with basic necessities to address the problem a school social worker will be notified.
4. Camden County School System adheres to the Georgia Compulsory Attendance Laws and a child should not miss more than one or two days because of treatment of head lice. If a child is absent more than three days, the principal should notify the school nurse or other school official who can contact the family to get the child treated and back in school.
5. Where it is known that the family does not have an indoor toilet or hot running water, recommending a shampoo treatment is obviously unrealistic. In such a case, the Camden County Health Department or the Medical Clinic at Kings Bay Naval Base should be notified when the student is first sent home.

## ACCIDENTS AND INSURANCE - <http://www.markelinsurance.com>

The school is responsible only for immediate first aid. Camden County Schools does not pay any medical or hospital bill incurred as a result of an accident to a student at school. The parent or guardian is responsible for the payment of such bills. We urge you to consider the protection afforded through school insurance. You will be given information regarding various insurance plans during the first week of school. All accidents, no matter how minor, should be reported to the teacher immediately. First aid for minor injuries is available in the school clinic. In the case of severe accidents or acute illness, emergency care will be given and parents will be notified.

## BICYCLE SAFETY - [O.C.G.A. 40-6-296](#)

Georgia law requires children under the age of 16 to wear a helmet.

## FIRE DRILLS - [Policy EBBC-R](#)

Georgia law requires schools to conduct fire drills monthly. Procedures are established at each school.

## EMERGENCY CLOSINGS - [Policy AFC](#) and [Policy AFC-R](#)

In the event of foul weather that would prevent the safe transportation of students to the schools or any other emergency situation that would affect the safety or well-being of students, or otherwise make it impractical or impossible for the normal operation of school, the superintendent, in collaboration with the board of education, will close the schools until said emergency condition no longer exists. Any days lost by such emergency closing will be made up during the school year. In the case of sudden change of weather conditions the safety of students shall be the number one priority. Decisions concerning the early or late dismissal of students will be determined by the severity of the weather conditions and

surrounding circumstances. If it is determined that students will be dismissed other than at the regular time of dismissal, all efforts will be made to contact the local media. The school system requests the parents stay tuned to local radio and television stations during inclement weather. Since it would be impossible to individually contact parents, the school system will make every effort to inform these stations if dismissal times are changed.

#### **PARENT PROTOCOL DURING SCHOOL CRISIS**

Camden County Schools works closely with local emergency agencies to establish protocols in the case of a crisis. Each school has developed an Emergency Operations manual in compliance with Georgia law which identifies roles and responsibilities. Parents are urged to follow all directions at the site. You will be instructed to the Family Reunification Site for child pickup. This is the only area designated for parent/student reunification. Please do not approach emergency personnel. Anyone picking up students must have proper picture identification and sign for the children's release.

#### **SECLUSION/RESTRAINT – [Policy JGF\(2\)](#)**

The State Department of Education approved Rule 160-5-1-.35 Seclusion and Restraint for All Students, Code JGF(2), O.C.G.A. 20-2-240. The use of physical restraint is prohibited in Georgia public schools and educational programs except in those situations in which the student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions including verbal directives or other de-escalation techniques. All physical restraint will be immediately terminated when the student is no longer an immediate danger to himself or others or if the student is observed to be in severe distress. The written policies governing the use of physical restraint are outlined in the online policy manual.

The management plans show the location of asbestos containing material and assumed asbestos containing material. Anyone may review or retain a copy of these plans. Individual school plans are on file in the principal's office at each school. All plans are on file at the Administrative Office, Maintenance and Operations, Camden County Board of Education, 311 S. East Street, Kingsland, Ga. 31548.

#### **ABSENCES AND EXCUSES – [Policy JBD](#) and [Policy JBD-R](#)**

Students shall be in attendance at public schools in accordance with requirements of the compulsory school attendance law and for the number of full-length days prescribed by law.

- A. In accordance with the authority granted by the compulsory school attendance law and the following guidelines, excused absences shall be defined by the policies and regulations of the school system board of education. Children may be temporarily excused from school when
1. personally ill and attendance in school would endanger their health or the health of others;
  2. in their immediate family, there is a serious illness or death which would reasonably necessitate absence from school;
  3. observing special and recognized religious holidays of their faith;
  4. mandated by order of governmental agencies (Examples: pre-induction physical examination for service in the armed forces or a court order);
  5. conditions render attendance impossible or hazardous to student health or safety;
  6. the student registers to vote (one day only);
  7. attending college/career visitations according to the administrative regulations provided in JBD-R;
  8. to visit with a military parent or guardian who has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting. (There will be a maximum of five school days excused for this purpose per school year.); or
  9. any other absence not explicitly herein but deemed by the local board of education to have merit based on circumstances.
- B. Local boards of education shall count students present when they are serving as pages of the General Assembly.
- C. Local boards of education shall count foster care students present when they are required to be in court for foster care related issues.
- D. Local boards of education shall count as present any student who successfully participates in the Student Teen Election Participant (STEP) program. (Maximum of two days per school year)

Absences shall not penalize students' grades; however, all make-up work must be completed.

School days missed as a result of an out of school suspension shall not count as unexcused days for the purpose of determining student truancy.

When there is a cause necessitating an individual student to be excused from school for a portion of the school day, the student shall be released from school only to his parent(s), to a person properly identified to school authorities, or upon request by letter or telephone from the parent(s).

#### **MAKE UP WORK WHEN ABSENT - [Policy JBD](#)**

Determining if a student should be allowed to make up work due to an absence from school is a complex issue. Considering that our teachers work to help our students attain success in their classrooms, teachers face a difficult problem if they are forced to penalize students for unexcused absences beyond the students' control. At the same time, it is the responsibility of our school system to prepare a student to successfully enter the workplace as the student completes his/her high school education. A segment of that preparation must focus on making responsible decisions and on being responsible for one's decisions. A valid written excuse (emails and phone calls will not be accepted) must be turned in to the student's homeroom teacher within two days of the last day of the absence or the absence will be considered unexcused. With that in mind, make-up work for student absences shall be as follows:

### Grades K-2

Students who are absent from school will be given the opportunity to make up work missed from any absence. If a student is absent, he/she will be given the number of school days missed plus one to make up the work.

### Grades 3-8

Students who are absent from school will be permitted to make up any work missed during the absence. They are allowed the number of days absent, plus one, to make up the missing assignments. Missing work that would lead to a failing grade should be assigned an "I" until the work has been completed.

### **HOSPITAL/HOMEBOUND PROGRAM – [Policy JBD](#)**

Students who have medical problems that prohibit them from attending school for an extended period of time are eligible for the services of the hospital/homebound program. Under this program, the school will provide a teacher to secure assignments/materials from the student's classroom teacher and visit the student in his/her home to provide individual instruction while the student is incapacitated. While a student is being served under this program, he/she will be counted as present in all of his/her classes.

The basic requirements for eligibility in the program include:

1. student must have a certified doctor's statement indicating said student will not be able to attend school for at least ten (10) school days,
2. student's illness must not be communicable, and
3. parents must provide medical updates after the initial 4 week service.

Parents are encouraged to contact the school counselor for additional information or an application for this program.

### **TARDIES – DISMISSALS**

Students who come to school late must report to the office and obtain a late pass. A child may be dismissed early during the school day with parental permission and school approval. The student must be signed out in the front office before leaving. An authorized adult must sign a student out of school. Picture identification is required when picking up a student early from school and may be requested when picking up car riders. To ensure the safety of all students, please limit telephoned transportation changes to emergencies or extenuating circumstances only. Calling to make afternoon transportation changes should not be common practice. Students are not allowed to sign themselves out for the day.

### **PROGRESS REPORTS & REPORT CARDS - [Calendar](#)**

Progress reports and report cards shall be distributed according to the adopted school calendar.

### **HONOR ROLLS – [Policy IHD](#)**

Students who achieve at an exceptionally high level shall be named to the honor rolls of Camden County Schools.

The board of education will maintain a school program designed specifically to meet the needs of intellectually gifted students. The superintendent shall have developed the rules and regulations necessary to carry out Georgia State Board of Education Policy 160-4-2-.38.

Nominations for possible placement into the gifted program are often made by classroom teachers; however, any responsible person who has knowledge of a student's intellectual functioning may nominate that student for further consideration. Eligibility for gifted program placement is based upon four categories for assessment (mental ability, achievement, creativity, and motivation) and the performance standards that must be achieved in each for a student to become eligible for gifted education services. Students are served in a variety of programs ranging from a resource (pullout) model to advanced content classes to joint enrollment.

Contact the principal for additional information regarding gifted education services.

### **INTERNET USAGE BY STUDENTS - [Policy IFBG](#) and [Policy IFBG-R](#)**

Access to the school's Internet is provided for educational purposes and research consistent with the school system's educational mission and goals. Parents shall be required to sign the Internet Network Access Agreement form allowing their students to access the Internet. If your family plans to move to another location in Camden County, outside of Camden County, or out of state during the school year, you will need to notify the school office at least two (2) weeks before you withdraw or transfer your child. Official forms will need to be completed and all textbooks and library materials accounted for before the child transfers. Contact the school office if you have questions about our transfer and withdrawal procedures.

## **SCHOOL FUNDRAISING ACTIVITIES**

Students may participate in approved fundraising activities as a part of school clubs and organizations or as part of a school-wide fundraising event. Monies raised in a club are used to promote the activities of the club. Monies raised in a school-wide fundraising campaign may be used for student activities and events, purchase of awards, funding awards ceremonies, faculty and staff recognition, and other activities and events which promote the students and the school. Students are not encouraged to go door to door when involved with fund raising events.

## **NOTICE REGARDING TEACHER/PARAPROFESSIONAL QUALIFICATIONS**

In compliance with the requirements of the Every Student Succeeds Act, parents may request the following information:

1. Whether the student's teacher
  - A. has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
  - B. is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived, and
  - C. is teaching in the field of discipline of the certification of the teacher.

In keeping with the board's commitment and the requirement of applicable state and federal law, the board and staff will strive to remove any vestige of discrimination in employment, assignment, and promotion of personnel; in educational services and opportunities offered students; in location and use of facilities; in educational materials; and in all business transactions conducted by the board.

## **DRESS CODE**

A student shall not dress, groom, wear, or use emblems, insignias, badges, or other symbols where the effect is distracting to other students or causes disruption or interference with the operation of the school environment. The principal or other duly authorized school official shall determine whether any particular mode of dress, apparel, grooming or use of emblems, insignias, badges, or other symbols result in such interference or disruption. The final determination concerning this policy will rest with the principal. Parents will be called and asked to bring a change of clothing to school when a student has violated the dress code.

## **ITEMS NOT ALLOWED AT SCHOOL**

Items that are either not needed at school or are disruptive to the learning environment are to be left at home. School administrators will make the final determination on items not allowed. Cell phones provided by parents for their children are not to be used during school hours.

## **STUDENT REPORTING OF ACTS OF SEXUAL ABUSE OR SEXUAL MISCONDUCT**

Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or other school system employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

## **PROGRESSIVE DISCIPLINE PROCESS**

A progressive discipline process is an integral part of an effective school system. It helps correct student behavior and helps bring it within acceptable standards, ensuring a safe and productive school. The goal of progressive discipline has three components:

1. To reform the student and bring his or her conduct within acceptable standards;
2. To deter other students from engaging in similar conduct, and
3. To maintain control over the school as a whole and maintain school standards.

## **SCHOOL GUIDELINES FOR STUDENT BEHAVIOR**

At all times in the school setting students are expected to respect themselves, to respect the adults at the school, to respect the other students in the school, and to respect the property of the school and of others. This applies to anytime the student is at school events or on school property, including the school bus. Teachers will review behavioral expectations for all areas of the classroom and the school. Below are some specific guidelines regarding behavioral expectations:

### General Guidelines

1. Students may bring book bags to school. However, book bags are subject to search at the discretion of administrators.
2. Students may not interrupt a class to speak to another student during instructional time.
3. Signs, placards, flyers, and other displays must be approved by the administration prior to posting.
4. No goods may be sold at school without the permission of the administration.
5. Students must pay for lost or damaged textbooks, electronic devices, materials, books, or other school property for which the student is given responsibility.
6. Students are expected to clean up after themselves by placing paper and trash in appropriate containers.
7. Chewing gum is not allowed.
8. No food is allowed outside the cafeteria area without special permission from the administration.

School personnel will review expectations for behavior in the cafeteria, during assemblies, on the playground and on the school bus.

## **STUDENT BEHAVIOR CODE - [Policy JCDA-R](#)**

For the purpose of student handbooks, all policies may not be stated in their entirety. Please use the hyperlinks provided or visit the online policy manual at [www.camden.k12.ga.us](http://www.camden.k12.ga.us).

## PART A - PURPOSE

The purpose of this code is to provide students in the Camden County School System an effective and safe learning environment. This has been prepared in accordance with the discipline procedures of the Camden County School System. It contains information for school personnel, students, and parents. Included is an outline of expected behaviors and the consequences relating to various violations. Expected behavior is behavior that promotes learning and encourages maturity during the school day, as well as during all school related activities. Off campus behaviors which could result in a student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process apply. Students and their parents need to know and understand this code in order to achieve these goals. Students should:

1. Participate fully in the learning process. Students need to report to school and class on time, attend all regularly scheduled classes, remain in class until excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed.
2. Avoid behavior that impairs their own or other students' educational achievement. Students should know and avoid the behaviors prohibited by this code, take care of books and other instructional materials, and cooperate with others.
3. Show respect for the knowledge and authority of teachers, administrators, and other school employees. Students must obey reasonable directions, use acceptable and courteous language, avoid being rude, and follow school rules and procedures.
4. Recognize and respect the rights of other students and adults. All students should show concern for and encouragement of the educational achievements and active participation of others.

Disciplinary actions for violations of expected behaviors will include appropriate hearings and reviews. In all cases, the rights of individuals will be ensured and protected. The Camden County School System will make every reasonable effort to administer the discipline code consistently in all schools. When applicable, individualized plans (i.e. IEP, 504, and CST-Child Study Team) will be reviewed for appropriate consequences. Parent involvement through conference is the most desirable avenue for correcting behavioral problems and will be used when possible. Conferences may stand alone or may be used in conjunction with other forms of discipline. Other disciplinary actions subject to the discretion of the principal may include any or all of the following: conferences (may include student, teacher, parents, or outside agencies), detention, work assignments, suspension of privileges, corporal punishment, placement in the alternative school, OSS (1-10 days), or referral to law enforcement. The State of Georgia has written a law which encourages parents and guardians to inform their children on the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

**Discipline Glossary & Law Violation Terms** – see policy link for definitions - [Policy JCDA-R](#)

## TEACHER REPORTING REQUIREMENT

A teacher shall have the authority, consistent with board policy, to manage his or her classroom, discipline students, and refer a student to the principal or his designee to maintain discipline in the classroom. Any teacher who has knowledge that a student has exhibited behavior which violates the student code of conduct and repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his/her class or with the ability of such student's classmates to learn shall file a report of such behavior with the principal or his designee. The principal and teacher shall thereafter follow the procedures set forth in Georgia law, specifically O.C.G.A. ~20-2-737 through 738. The superintendent or designee shall develop procedures as necessary for implementation of this policy and of state law.

## **STUDENT SUPPORT PROCESS / CHILD STUDY TEAM**

Consistent with the agreement reached in [Georgia State Conference of Branches of NAACP v. Georgia](#) (Ollie Marshall Case), the board of education believes that the child study team (CST) is an effective tool for students experiencing problems in school and for assisting teachers in addressing identified problems. The CST provides services through the regular education program, including instructional planning and consultation that includes those individuals responsible for the educational well-being of the instructional process for planning educational delivery systems. Implementation of CST procedures should occur for any student experiencing problems in school before a referral is made to other supplemental or support services. The board of education defines the CST as an interdisciplinary group that shall engage in a six-step process to include: 1) identification of needs; 2) assessment, if necessary; 3) educational plan; 4) implementation; 5) follow-up and support; 6) continuous monitoring and evaluation.

The purpose of the CST is to improve the delivery of instructional services to students experiencing problems of an academic, social, or behavioral nature in school and to serve as a resource for teachers and other educators in the delivery of these services. The superintendent shall develop regulations and procedures for the implementation of this policy.

The CST is an interdisciplinary group that addresses the needs of students having problems in school. Each school shall have a minimum of one student support team and establish support team procedures. The CST shall include at a minimum the referring teacher and at least one of the following participants: principal, general education teacher, counselor, lead teacher, school psychologist, subject area specialist, media specialist, special education teacher, parent, school social worker, central office personnel, or other appropriate personnel.

Documentation of SST activities shall include the following: student's name, name of team members, meeting dates, identification of student needs, any records of assessment, educational plan and implementation results, follow-up, and as appropriate, continuous evaluation.

## **Guidance Services**

The guidance services help provide personal opportunities and specialized staff services so that each individual can develop to the fullest of his/her abilities and capacities. The counselors are available for consultation with students, teachers, and parents concerning students' problems. Personal counseling is one of the main functions of the department. Students with problems come either voluntarily or by referral from teachers, administrators, or parents.

## **PROGRESSIVE DISCIPLINE PROCESS**

A progressive discipline process is an integral part of an effective school system. It helps correct student behavior and helps bring it within acceptable standards, ensuring a safe and productive school. The goal of progressive discipline has three components:

1. To reform the student and bring his or her conduct within acceptable standards,
2. To deter other students from engaging in similar conduct, and
3. To maintain control over the school as a whole and maintain school standards.

### **STATEMENT OF STUDENT MISCONDUCT**

These rules are designed to notify students as to the types and range of behaviors that are unacceptable; nevertheless, every specific variation of the prohibited conduct may not have been included. Consequently, students should expect to be disciplined for misconduct that is inappropriate. A specific rule need not be written for every conceivable variation of behavior that directly affects the orderly mission of the school. Minor offenses in the classroom, lunchroom, and hallway will be handled at the discretion of the teachers and administrators. Teachers are given authority to assign detention after and before school and during lunch and during recess in elementary schools. Teachers will also conference with students, parents, and administrators as part of disciplinary action taken against disruptive behavior.

### **Disciplinary Action Plan**

Depending upon the age of the student, the administration will choose the age-appropriate discipline plan. Progressive discipline processes and types of consequences used may vary depending upon whether the student attends a high school, middle school, or elementary school. Student discipline is assigned based on the severity and/or frequency of code violations. Serious offenses have more severe, age-appropriate discipline. This means that a serious or major offense should result in a higher level of discipline even if the offense is the first of that kind. Repeated code violations result in the application of higher levels of discipline as determined by the principal or designee.

### **CONSEQUENCES OF STUDENT MISCONDUCT**

Local school administrators have broad discretion to determine consequences for student misconduct at the local school level. The range of consequences for misconduct that can be assigned by a local school administrator may include without limitation, student conference, warning letter, parent conference, lunch detention, before or after school detention, Saturday school detention, bus suspension, ISS, OSS, and alternative school. A student could be referred to a disciplinary tribunal which may result in long-term suspension or expulsion, and depending upon the severity of the offense, juvenile court or law enforcement may be contacted. Administrators must acquire parental permission before administering corporal punishment.

**STUDENT BEHAVIOR CODE** The following rules apply while students are:

1. on the school grounds at any time;
2. off the school grounds at a school activity, function, or event;
3. enroute to and from school or to or from a school activity, function, or event, on school transportation;
4. off the school grounds while the student is in attendance at any school function, or is engaged in
5. activity that could have a direct effect on the orderly function of the school, or is otherwise subject to
6. the jurisdiction of school authorities; and/or
7. off the school grounds when the misconduct is directed at a school student or employee and is related to the victim's school affiliation or when the off-campus misconduct directly affects the safety and welfare of the school community or the orderly mission and function of the school.

The tribunal shall submit its findings and recommendation to the Camden County Board of Education for imposition of punishment. The board of education may follow the recommendations of the tribunal or impose penalties not recommended by the tribunal.

A student found by a tribunal to have committed an act of physical violence against a teacher, school bus driver, school official, or school employee involving intentional physical contact of an insulting or provoking nature shall be disciplined by expulsion, long-term suspension, or short-term suspension. In cases where the physical violence involves intentionally making physical contact which causes physical harm (unless such contact is in self defense), the student shall be expelled from the school system for the remainder of the student's eligibility to attend public school. It is further mandated that students who are found guilty of the "causing physical harm" variety of physical violence be referred to juvenile court with a request for a petition alleging delinquent behavior. Penalties for inappropriate behavior will be determined according to the frequency and severity of the violation(s). When behavior is habitual or a major violation, the student may be suspended from the bus for an indefinite period. See Rule 13 in the Student Behavior Code.

#### **BUS PASS PROCEDURE**

Students who are to get off the bus at a location other than the regular stop must have a written request from parents indicating the location where the student should get off the bus. This note should be taken to the office and exchanged for a bus pass. Bus drivers will accept only bus passes signed by appropriate school personnel. Students who ride the bus to school must also ride the bus home in the afternoon unless they have

prior written permission from their parents or guardians.

### SCHOOL BUS SAFETY REMINDER

The rules that govern our buses are designed primarily for the safety of our students. Large, cumbersome items such as science project boards, large athletic equipment, large band instruments, etc. may not be transported on the bus. Glass containers of any type are also prohibited, as are animals and insects (alive or dead).

Students may bring other items on the bus that fit in their laps and will not obstruct any emergency exits.

Please contact the Transportation Office (729-8374) if you have any questions.

### EMERGENCY EVACUATION PROCEDURES

- A. Front Door Evacuation

- B. Rear Door Evacuation
  1. Evacuate the last rear seat to the left of the aisle first, then the last rear seat to the right of the aisle.
  2. Continue this alternating procedure (emptying left seat then right seat) until the bus is evacuated.
  3. The first two students evacuated should help all the other students as they step down from the rear door.
