6. Read the directions and practice using the tools.

Georgia Milestones Assessment System

This screen shows an image to check if your computer screen is set up correctly. There should be three circles in the image below. If you do not clearly see three circles, please let your teacher know.

Read these directions carefully before beginning the test. To look at these directions again, click on the **? Help** button and choose the **Test Directions** **Test Directions** tab.

Experience Online Testing Georgia has multiple test questions. Answer each question to complete this training experience.

Experience Online Testing Georgia is NOT a scored test. For this training, your answers will not be graded. This is a chance to experience online testing and to practice using the online tools.
