**Plan Revised May 25, 2018**

**Plan Adopted TBD**

**What is Title I?**

Sugarmill Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

**School Plan for Shared Student Achievement**

**What is it?** This is a plan that describes how Sugarmill Elementary will provide opportunities to improve parent engagement to support student learning. Sugarmill Elementary values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Sugarmill Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

**How is it developed?** Sugarmill Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan. The plan is posted on our school website for parents to view and provide feedback throughout the year. We also distribute an annual survey by paper and online to ask parents for their suggestions on the plan and the use of funds for parent involvement.

**What feedback indicated?** The yearly survey showed that parents wanted more information sent home on state standards and test preparation. It also indicated that they would like help with math skills. We will have Parent-Teacher Teams and conferences to help parents learn how to help their student(s) at home with math as well as reading to show how to help with standards and test preparation.

**Who is it for?** All students and their families are encouraged and invited to fully participate in the opportunities described in this plan. Sugarmill Elementary will provide full opportunity for the participation of all parents, parents with limited English, parents of students with disabilities, parents of migratory children, students from the Methodist home as well guardians of children.

**Where is it available?** Once adopted, the plan is posted on-line on the school website, in the parent resource center, and in the front office.
